

I Spy a Butterfly

by Lisa Baydush © 2010

[C]I spy a butterfly [F]fluttering [C]by,
A little blue butterfly [G]up in the sky;
[C]I spy a butterfly [F]flying down [C]low,
[F]Little blue [C]butterfly, [G]where did you [C]go?

I spy a butterfly, fluttering by,
A little pink butterfly up in the sky;
I spy a butterfly next to that tree,
A little pink butterfly waving at me!

I spy a butterfly fluttering by,
A little green butterfly up in the sky;
I spy a butterfly right over there,
A little green butterfly lands in my hair!

Beautiful butterflies fluttering by,
Beautiful butterflies up in the sky,
Beautiful butterflies flying around,
Beautiful butterflies land on the ground.

Sweet yellow/orange/purple.
Use butterfly puppets.
