## You'll Need:

1. Small gloves for each child
2. Clip-art
3. Velcro

Find clip-art that corresponds to songs you plan to sing. Make them 1-2" in size. Fill a page with images and print.

For counting songs, you will want to give five of the same picture to each child. For sequencing songs, you will want to give one of each picture to each child.

Laminate the pages and then cut out the images. Affix Velcro to the back of each image; use the gripper side so that they will cling to the gloves.

## Five Little Hamentaschen

a Purim chant...

Five little hamentaschen sitting on a shelf  
Along came a boy/girl/name to buy one for himself.  
"Um," said he, as he took a bite,  
"Cherry inside, what a yummy delight!"

4/3/2/1 little hamentaschen...  
No little hamentaschen...  
"Oh!" cried he at the empty sight  
"What will I have for dessert tonight?"

## Glove puppets are great for developing sequencing and counting skills!

## Five Green Apples

by Peter and Ellen Allard

Farmer Brown had five green apples hanging on a tree  
(repeat)  
Then he plucked one apple  
and he ate it hungrily,  
Leaving four green apples a-hangin'  
on a tree!

## Buzzin' in the Garden

by Peter and Ellen Allard

One little bumblebee buzzing in the garden  
...Buzzing to and fro (repeat 1<sup>st</sup> phrase)  
...Buzzing high and buzzing low (repeat 1<sup>st</sup> phrase)  
...Buzzing all day long, 'til there was  
Another bumblebee buzzing in the garden  
singing a bumblebee song!

Now there are 2/3/4/5... yes there are 5...

Gloves are on... ready to sing!
