

And We Danced

by Lisa Baydush © 3/1/21, capo 1

And we [A]danced, and we [D]danced
And we [E]danced across the [A]sea
And we [A]danced, and we [D]danced
And we [E]danced 'cause we were [A]free

[D]Miriam raised her [A]timbrel high
We [E]raise our voices [A]to the sky
We [D]dance and sing through [A]out the night
We [E]danced and sang til morning's light

Zip in: skipped, jumped, hugged, danced
