by Lisa Baydush © 3/17/21, capo 3

Chorus:

[G]Searching, searching [C]for the afikomen

[D7]Searching, searching, [G]searching all around

[G]Searching, searching [C]for the afikomen

The [D7]seder isn't over 'til the afikomen's [G]found!

End: No, the [D7]seder isn't over 'til the afikomen's [G]found!

[C]Half a piece of matzah wrapped [G]up and set aside

The [D]ritual dessert that [G]Papa always hides

The [C]children search the house ev'ry [G]room upstairs and down

'Cause the [D7]seder can't conclude 'til the [C]afi[D]komen's [G]found!
