

# Journey On

by Lisa Baydush © 2004, capo 3

[C]As I look [G]back [D]through the lens of [G]time,  
[G~]Images [G]shift like ka[D7]leidoscope [G]pieces,  
[G~]Glittering snapshots of [Am]days gone [D]by;  
[F]Beautiful [C]memories— [Am]and those best forgot[D7]ten,  
[F]Some black and white, [C]others vivid and [D]bright![D~]

## Chorus:

[C]Look at the [G]journey you've [D]travelled to [G]get here,  
[D]All of the dragons you've [G]slayed![G7]  
The [C]mountains you've [D7]climbed [G]haven't been [Am]easy,[Am7]  
But [D7]look where you are, [C]you're well on your [G]way...[G-G]  
2nd time: [G~-G-Dh] wa-----y

[C]Where will you [G]go? [D]Who will you [G]be?  
The [G~]choices are [G]yours, the [D]burden is [G]too  
[G~]To shape who you are, [Am]make your mark on this [D]world  
[F]Take the [C]strength [Am]from what you've [D7]learned  
to [F]soar like an eagle [C]against a gray [D]sky[D~] (chorus)

[Ch]Step [D7]by [G]step, [C]take pride, journey [G]on!  
[Am]Hold tight to that [C]rainbow in the [D]sky!

[Ch]Look (look) at the [G]journey you've [D]traveled to [G]get here,  
[C]All of the [G]dragons you've [D]slayed![D~]  
The [C]mountains you've [G]climbed [C]haven't been [G]easy,  
But [C]look where you [D]are, [C]you're well on your [G]way...  
[G~]Look where you [Am]are— [D7] //you're well on your [G]way...  
well on your [G~]wa-[G]a-a-[G~]a-[G]a-[D]a-[Gh]ay!
