[C]Thank you for my friends and fami[G]ly!

[G]Thank you for my friends and fami[C]ly!

[F]On Thanksgiving Day, [C]don't forget to say:

[G]Thank you for my friends and fami[G]ly!

...for the food we have to eat

...for my warm cozy bed

...all the toys I have

...my teachers and my school

With young preschoolers, show pictures and ask children to identify what's in the picture and ask them if they have those things and if they are grateful for those things, such as a house, a pet, a family, and then zip those things into the song.
