

Tu B'shvat Stretch

by Lisa Baydush, adapted from Shabbat Boogie

Tu B'shvat is here, let's plant our feet
In a hole in the ground that's kinda deep
Grow your trunk real tall and spread your leaves
Tu B'shvat is here, the birthday of the trees!

Chorus:

Tu B'sh[C/G/C]vat! Tu tu Tu B'shvat! (3x)

[G]I'm so glad it's [G7]Tu B'sh[C]vat!

Wave your leaves, wave, wave, wave hello! (3x)

[G]I'm so glad it's [G7]Tu B'sh[C]vat! (chorus)

Oh yeah/You know it!

Stretch your branches high, to the sky...

Bend your truck, bend, bend, side to side...

Touch your roots down low, touch your toes...
