A[C]chat, a[Am]chat, a[Dm]chat is [G]one   
A[C]chat is [Am]one like the [Dm]shining [G]sun  
A[C]chat is [C7]one like the [F]shining sun  
A[C]chat, A[G]chat is [C]one.  
(Can you [F]count to [G]two?)

Sh'tayim is two like a pair of shoes...  
Shalosh is three birds in a tree...  
Ar-bah is four friends at the door...  
Hameish is five bees in a hive...  
Sheish is six crunchy pretzel sticks...  
Shevah is seven angels straight from heaven...  
Sh'moneh is eight spiders on a gate...  
Taysha is nine ducks in line...  
Eser is ten fingers on your hands... (Now let's count again!)

A[C]chat, a[Am]chat, a[Dm]chat is [G]one  
Sh'tayim is 2; Shalosh is 3; Arbah is 4; Hameish is 5;  
Sheish is 6; Shevah is 7; Shmoneh is 8; Taysha is 9; Eser is 10  
[C]Wow! You [Am]count so [Dm]well, my [G]friends!  
You [C]counted in [C7]Hebrew from [F]1-10  
And [C]now this [G]is the [C]end! [G-C]
